Joint Negotiating Council Circular No. 26

Payment to Employees in the Event of Death or Disablement Arising from Assault

The Joint Secretaries of the Joint Negotiating Council have agreed N J C Circular No. 7/98 which relates to Paragraph 7 of Part 3 of the Green Book which sets out provisions for payments to employees in the event of death or permanent disablement arising from assault.

In the event of the death of the employee assaulted, payment is made to the dependant(s). The note set out in the paragraph defines "dependant". The NJC has agreed to delete this definition, thereby allowing a surviving partner who is not a "spouse" to benefit from the provision. Other dependants covered by the definition (children or those wholly or substantially supported by the deceased), will still fall within the terms of the paragraph.
