**Cost of Living Increase for Officers on Teacher Related Salary Scales -  
Wardens, Assistant Wardens, Instructors/Training Tutors and Peripatetic Instrumental  
Tutors with effect from 1 April 2003**

The Joint Negotiating Council at its meeting on 12 December 2003 agreed that a cost of living increase of 2.9% be implemented with effect from 1 April 2003 on the current pay point for Wardens, Assistant Wardens, Instructors/Training Tutors and Peripatetic Instrumental Tutors.

This is an interim arrangement in line with the cost of living increase implemented for teachers, pending the outcome of the pay negotiations for officers on teacher related salary scales. It should be noted that every effort will be made to reach final agreement before April 2004.
