

Joining a Teleconferencing Meeting: Corporate Recruitment

If you have been invited to a teleconferencing session you will be emailed a Meeting Number and Access Code which will allow you to join the conference call.

When you are ready to join you will need to dial 028 9598 5555 and await instruction.

An automated voice will answer and ask for the Meeting Number followed by the hash/pound (#) key.

You will then be asked to enter the Access Code.

Please note that as an Attendee you will hear music until the Host joins the conference call.
